- Click on this link:

  https://about.citiprogram.org/en/course/gdpr-human-subject-research-webinar/

- Under "LEARNERS" click the "Buy Now" button
- You will come to a page that looks like this, click REGISTER TO PURCHASE:
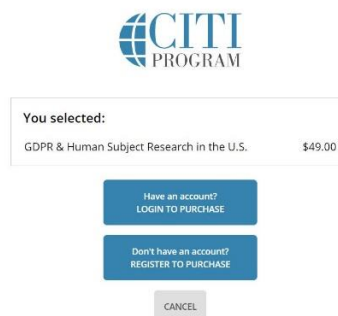

CITI – Learner Registration steps:

1. Under "Independent Learner Registration", review the Terms of Service and Privacy Policy, and then check the box to agree. Check the new box that appears stating you are an Independent Learner. Click the "Continue as Independent Learner" button
2. Fill out personal info (name and email). Continue to Step 3
3. Create username, password, and security question. Continue to Step 4
4. Enter your Country of Residence. Continue to Step 5
5. Select whether or not you would like CE (more information is detailed on the page). Continue to Step 6
6. Fill out the requested info. Continue to Step 7
7. Select "GDPR & Human Subject Research in the U.S." under Question 1. The fee is $49. Scroll to the bottom and once again confirm that you are an Independent Learner, then click Complete Registration.

- This will bring you to your Order Summary. Again, confirm you are an Independent Learner and Check Out
- Complete your payment information and click Pay Now. You are not done! Click the next button to complete your purchase and return to CITI
  - Now that you have paid for your membership, log into your account at https://about.citiprogram.org/en/homepage/
  - The "GDPR & Human Subject Research in the US" course should appear in your account. Click "Start Now". The webinar is 1 hour long
